## **TREASURER SCHWARTZ MAKES PRIVATE EQUITY ANNOUNCEMENT**

Carson City, NV. State Treasurer Dan Schwartz made the following announcement at the BLUEPRINT 2018 conference organized by VentureBeat in Reno.

"I am pleased to attend this national event that addresses closing the opportunity gap for creating jobs outside of traditional tech hubs. I'm happy to say Nevada is open for business and welcomes the venture community. With our pioneering spirit, low taxes, affordable housing and facilities, and a regulatory process that operates in weeks not years, our state is a natural fit for the technology and venture community.

"On today's occasion, I am pleased to announce that I will be calling a special meeting of the Nevada Capitol Investment Corporation to consider the formation of the Nevada Tech Capital Investments (NTCI), an initial pool of \$3 million.

"NTCI's purpose will be to catalyze cutting edge venture investments in Nevada and continue to grow the venture ecosystem here. The deployment of this capital will be overseen by the NCIC Board. NTCI presents an opportunity to continue the transformation of Nevada's economy and its further development, creating jobs and a workforce of the future where all citizens benefit".
